

What Do I Do Next?

The Healthy Paws Plan is easy to join; please complete a simple agreement form – your banking details are required. A one-off joining fee of £10.00 is collected with your first monthly direct debit. For further information or an agreement form, please speak to our reception team.

Veterinary Emergencies

In case of an emergency during practice hours, please contact the practice immediately. We will always endeavour to see a pet in pain on the same day. If you require emergency treatment outside practice hours, please telephone the practice where you will hear a message detailing the specific arrangements for the day.

Planning for your pet's health

Thank you for choosing **Ashley Veterinary Centre**. Our aim is to provide a welcoming and caring environment for you and your pet to visit in times of sickness and in health.

At **Ashley Veterinary Centre** we want to make preventative health care easy and affordable, to help you give your pets the best care possible. We believe that prevention is better than cure, rather than waiting until a pet is ill and suffering to put things right. Early diagnosis of health problems will help your pet to live a long and healthy life.

Our **Healthy Paws Plan** is not pet insurance. It covers the essential treatments your pet needs throughout life, such as vaccinations, flea and worm treatments and regular health checks. Extra benefits of the plan include discounts on many other products and services at the practice.

Read on for more information, or speak to one of our team today to find out more about our plan.
